Hi,
I am professor **SHODHAK**, your virtual AI powered project guide...

Please provide a step-by-step guidance for week 3. ✕ | ▼

👤 **Prof. Shodhak –**
During the 3rd week of the project, you will be focusing on important tasks that will contribute to the development of the chatbot. Here is a step-by-step breakdown of the activities you need to complete:

1. **Intent Recognition:**
- Review the methodologies for intent recognition mentioned in the project tasks.
- If you are implementing a rule-based approach, define the rules for identifying different intents based on user input.
